شركة Cabinet Storage Energy Kingsdon المصنعة Battery

نظرة عامة

KDST provides high-performance battery energy storage cabinet solutions, specially designed for key applications such as telecom base stations, industrial control, and power systems. The cabinet meets the IP65 protection level and features excellent heat dissipation, للماء ضد, and dustproof capabilities. It integrates power systems, monitoring modules, temperature control, and safety protection to ensure stable long-term operation. Various capacities (e.g., 48V200Ah, 51.2V100Ah) and communication interfaces can be customized to meet diverse requirements.
